I've taken 27 seminal scientific and psychological studies and broken them down, so you can use their findings to your advantage. Edited by Kevin Shillington, - New York: Fitzroy Dearborn, A succinct overview that traces the development of African historiography from the earliest written records to the postmodernist accounts of the present. Also, as Delisle states. It is not something we would handle at auction. In Singapore, instead of prosecutors having to prove the guilt of the corrupt, they reverse the burden of proof so the accused have to show that they acquired their wealth legally.
