Alternatively, there are a few things I have shared below which you can do to empower yourself during those nine months.

The Summit (Mills & Boon M&B)

The book plucks first-hand accounts from a wider range than many similar efforts; there is a bigger French contribution than is usually seen and perhaps more input from the United States of America than can be justified. The program includes a minute videotape and a monograph, which expands on the scientific background of the information presented in the videotape.
