In implementing their obligations on education, governments should be guided by four essential criteria: availability, accessibility, acceptability, and adaptability.

## **By Chance, No Choice (Stetson Series Book 1)**

I find that idea interesting that love and lust become neutral. They found that it was fastened securely with a thick rope, and that attached to the rope at the bottom of the basket was a fragment of a small-meshed net - a sinister little circumstance, For it looked as if a weight intended to sink the basket had proved too heavy for the net and had torn itself free.
